PEOPLEVINE PLATFORM

A single platform for marketing teams to engage with their consumers. PeopleVine is the only platform to capture 35 touchpoints in real-time allowing you to enable action based marketing through your customer's journey.

Behind it all is a CRM capturing every interaction back to a single profile. Further enabling you to see consumer behavior over time, while leveraging the data for automated interactions and segmentation.

Motivate Customers to Buy

PeopleVine Digital Coupons & Offers allow you to provide unique and time sensitive opportunities for your consumers, while getting back real-time data on views, downloads and redemptions tied to automated marketing.

With PeopleVine Coupons & Offers you can:

- Control the quantity available to be redeemed
- Start date and expiration date for each offer
- Gate with a survey/form to further segment your audience

While you have insight on real-time usage of your coupons when using our simple redemption methods. As well, with our open API you can integrate coupon validation with an existing platform.
